

Name: _____

The Thirteen Colonies

Write the name of each colony in the correct box.

A map of the eastern United States showing the outlines of the thirteen original colonies. The colonies are separated by dashed lines. Lines connect each colony to an empty rectangular box for labeling. There are five boxes on the left side, three on the right side, and five at the bottom. The boxes are arranged as follows: five on the left, three on the right, and five at the bottom.

ANSWER KEY

The Thirteen Colonies

Write the name of each colony in the correct box.
